RE: Cobb, v. Hilde et al
 18-01120, b-641

The reason for this letter is to inform you that some stole my court aid by commencing re-up \$3.10 to \$4.00 more than enough to copy. I am ready, just need copies.

Next the confidential letter from Penn State then filed the indictment to the public. Penn State and the FBI are involved with out ID every and in violation the Penn/John Does which the law says I'm not required to show up at summer judgment. As so respectfully only you can call.
